First obvious question: what individual had the GREATEST influence on u?

Personally? My Mother. (with "StreetLife" runnin' a close 2nd)
Socially? Miles Davis.....no question

Musically? SLY STONE !! (early on) Then.... Stevie Wonder & then....Bootsy.
Spiritually? The SUN.... The Mountains.... The Ocean

Physically? Bruce Lee (he wasn't supposed to walk again, after breaking his back)
but, I must sayit makes me very proud to watch how "**Prince**" has taken Great care of himself & his throat !

He's seems age-less
